RE: Motor Vehicle Violations
Numbers E16 000616, E16 000617 & E16 000618

Dear Mr. Rogers,

I am writing to you in my capacity as Municipal Prosecutor for the Township of West Amwell.

Court rules require that a defendant charged with violations within the jurisdiction of a given municipality, and wanting discovery from the State, must notify the municipal prosecutor with such a request.

In your case we have not received a request for discovery, but becoming aware of your case by the West Amwell Court Administrator, Mary Hoagland, we took it upon ourselves to order discovery from the New Jersey State Police Department, the organization that issued the tickets. This was done on June 6, 2017.

To date we have not received the requested discovery and I have asked the Municipal Court Administrator not to schedule your matter until we are in receipt of the discovery.

I hope this clears up any questions you may have. Any further matters dealing specifically with discovery should be addressed to me.

Very truly yours,

Philip J. Faherty, III
West Amwell Township Prosecutor
